Plaintiff,

v.

C.A. No. 05-72-JJF

MCGLADREY & PULLEN LLP, et al.,

ROYAL INDEMNITY COMPANY,

Plaintiff,

v.

C.A. No. 05-165-JJF

PEPPER HAMILTON LLP, et al.,

Defendants.

**STIPULATION AND ORDER EXTENDING TIME FOR CERTAIN PARTIES TO
SUBMIT LETTERS REGARDING SUMMARY JUDGMENT**

Come now McGladrey & Pullen, LLP; Freed Maxick & Battaglia CPAs PC; Freed Maxick Sachs & Murphy, P.C.; Michael Aquino; Royal Indemnity Company; and Charles A. Stanziale, Jr., as Chapter 7 Trustee (collectively, the "Stipulation Parties"), by counsel, and state:

By the Second Amended Case Management Order #1, dated June 14, 2007, this Court established July 30, 2007 as the deadline for the parties' submission to the Court of letters regarding issues to be raised on summary judgment. The Stipulation Parties subsequently participated in a confidential mediation and have reached a binding settlement subject to final documentation and approval by the Bankruptcy Court. Because the Stipulation Parties have reached agreement to resolve all claims between them in the above-captioned matters, and in order to avoid further time and expense of litigation for the parties and the Court, the Stipulation

Parties respectfully submit that filing letters regarding summary judgment is unnecessary at this point.

Pursuant to Federal Rule of Civil Procedure 16, therefore, the Stipulation Parties stipulate and agree and move the Court for entry of an order as follows:

1. The July 30, 2007 deadline for the submission of letters to the Court regarding summary judgment issues, only insofar as it applies to claims between the Stipulation Parties, shall be adjourned until further notice by the Court.

2. In the event that that the final closing of the settlement agreements among the Stipulation Parties fails or becomes impossible, the Stipulation Parties shall promptly notify the Court and shall submit a joint proposed deadline for the submission of letters to the Court regarding summary judgment.

3. This Stipulation may be executed by facsimile and/or in original multiple counterparts, each of which shall be deemed an original.
